

I AM WRITING TO EXPRESS MY OPPOSITION TO THE NEW BPL (PLC) TECHNOLOGY CURRENTLY UNDER CONSIDERATION. RESEARCH AND OBSERVATIONS FROM SEVERAL COUNTRIES WHERE THIS METHOD OF COMMUNICATION IS ALREADY IN PLACE INDICATE THAT HARMFUL INTERFERENCE IN THE RF SPECTRUM WILL RESULT. THIS WILL BE A DETRIMENT TO MILITARY, CIVILIAN, MARINE AND PUBLIC SERVICE/EMERGENCY RADIO SERVICES. ALSO, MOST MODERN HOUSEHOLD ELECTRONIC DEVICES (STEREOS, TELEVISIONS, COMPUTERS) HAVE INADEQUATE FILTERING AND WILL BE NEGATIVELY AFFECTED AS WELL. IT SEEMS WE ALREADY HAVE PLENTY OF NOISE AND INTERFERENCE ON THE AIRWAVES, LET'S NOT MAKE THINGS ANY WORSE. THANKS FOR YOUR CONSIDERATION IN THIS MATTER.
